

# LAND Talks

The background is a soft, painterly illustration of a city park. A wide, light-colored road with faint lane markings leads from the bottom center towards the middle ground. On either side of the road are lush green trees and grassy areas. In the background, a large, ornate, light-colored building with multiple domes and windows is visible. To the right of this building, a tall, slender, glass skyscraper (The Shard) rises into a pale, hazy sky. The overall atmosphere is bright and airy, with a light blue and green color palette.
